Costa Pacifica is a Guinness Book of Records' record holder because it was christened in Genoa the same day as its sister ship, the Costa Luminosa. Its motto is "the sea in music": both the themes onboard and the names of the decks are all related to the world of music. Each room is decorated with images of composers, operas and musical instruments, whilst the interior design of the ship was designed by an innovative artist in a harmonious blend of different styles. Music is played throughout the ship during the day and particular care was taken aboard to provide flawless sound quality, Maestro Mauro Pagani has also written thirty pieces exclusively for this cruise ship. When you're tired of the music, visit the external decks to listen to the melody created by the lapping of the waves.

Inside Cabins

An inexpensive way to enjoy all the comforts of a luxurious space.

Outside Cabins

With large windows or portholes to admire the panorama.

Balcony Cabins

An elegant cabin, where you can enjoy views of the sea from your private balcony.

Restaurants & Bars

Whatever your dream holiday, a Costa Cruise offers just exactly what you are looking for. From sumptuous cuisine to endless daytime activities and night time entertainment, you have it all. Just come on Board!

Main Restaurant - included

Enjoy a typical Italian or a lovely international breakfast, freshly prepared and served in the main restaurant, to get the right boost to start your day. At dinner, taste the most famous Italian dishes and gastronomic specialities of the places that you will visit, presented in the most fantastic way.

Self Service Buffet Restaurant - included

Any time of the day is the perfect time to refuel. Being a sumptuous breakfast, a light lunch or an informal quick dinner, the self-service restaurant always offers the right solution. With a large variety of vegetables, salads, pasta, meat and fish dishes, delicious desserts and options your kids will love, the Restaurant offers a pleasant and colourful experience. The large windows that overlook the sea invite you to relax and enjoy your food.

Samsara Restaurant*

An explosion of taste where habanero chilies, cashew nuts, and Japanese sake meet Mediterranean specialties like olive oil, fettuccine, Greek feta and much more. The Samsara restaurant combines the creativity of the Costa chefs with typical ingredients of Pacific and Mediterranean cuisines in a refined and exclusive environment. Fresh and delicious, innovative cuisine that is rich in aromas and flavours from Asia and South America, prepared with the Mediterranean at heart. A journey within a journey!

Gourmet Burger*

For dinner, you can enjoy one of America's most popular products, adapted according to Italian taste and passion with quality, traditional, healthy and wholesome ingredients: Fassona beef, cheese and vegetables, all certified fresh. The bread is so delicious that every bite makes you want another. The area dedicated to burgers is in the casual setting of the self-service restaurant. Take a look at the menu on the chalkboard and order a sandwich, fries and an Italian craft beer!

Pizzeria Pummid'oro*

On board a Costa ship every place makes you feel like you are in Italy. Pizzeria Pummid'oro prepares the most famous Italian dish strictly according to the original recipe. Spend a casual evening with friends or family and try one of the 14 pizzas on the menu, from the most popular Margherita, Napoli, Four Seasons and Calzone, to a real specialty: cheese focaccia from Liguria. All accompanied by an excellent wine or draft beer and a selection of typical sweet dishes. The secret of the Pizzeria Pummid'oro lies in the simple and natural ingredients, such as extra virgin olive oil and mozzarella, freshly prepared on board.

Aperol Spritz Bar

When is the right time for an Aperol Spritz? At sunset after your day excursion, relaxing at sea, wearing your special attire for that wonderful evening. Or before lunch when you're thirsty from participating in the activities with the entertainment team, and you would like something to cool you down and stimulate your appetite. In short, any time is a good time for an aperitif, which has become an Italian classic from Aperol, a historical brand whom Costa has an exclusive partnership.

Amarillo Ice Cream Shop & Chocolate Bar*

An environment that is out of a fairy tale, where you can enjoy a romantic indulgence or a delicious snack with your children. For the Amarillo Ice Cream Shop, Costa chose the best: the ice cream makers use only Agrimontana-based flavourings to prepare a delicious, creamy ice cream on board, preserving all the nutritional properties. The Italian spirit is also celebrated in confectionery with Basetto sweets and Gobino chocolate. In this sea of sweetness, you are spoilt for choice.
